## Admission Notice - Class XI 2021-22

16<sup>th</sup> April 2021

Dear Parents and Students,

Greetings from St Arnold's School! This notice is for those students of other schools who would like to join St Arnold's. We would like to inform you regarding admission to Class XI. Our school has all the three streams in our higher secondary: Science, Commerce and Arts.

After completing class 10 every student has to choose one of the three streams available. The choice of the student will guide the course of his further studies and profession. Therefore, one has to make these choices according to one's aptitude, interest and personality. One should study the subjects that one enjoys learning, keeping in mind the area of interest that one would like to make a career.

Don't fall into societal as well as peer pressure. Some parents and students think that Science is the best stream. If you are good at Science and Math, and you like those subjects and you want to contribute to the society by entering into a profession related to science you should go for Science Stream. Commerce and Arts have equal scope these days. Please go through the Career Guidance note "**What after Class 10?**" that is in the downloads section of school website ([www.starnoldschool.in](http://www.starnoldschool.in)). If you have any doubts regarding the subjects or you don't know what stream to choose, we can help you. You can talk over the phone to our career counsellors by taking an appointment.

### Subjects provided in each stream

Science		Commerce		Arts	
Option 1	Option 2	Option 1	Option 2	Option 1	Option 2
English	English	English	English	English	English
Physics	Physics	Accountancy	Accountancy	History	History
Chemistry	Chemistry	BST	BST	Sociology	Sociology

Math	PSY/Math	Computer	Math	Economics	Psychology
Phl. Ed/Painting	Phl. Ed/Painting	Phl. Ed/Painting	Phl. Ed/Painting	Phl. Ed/Painting	Phl. Ed/Painting

Last year we started a new subject- Psychology. We find that this subject is very beneficial to students as it has got good scope in the present times as well as future. The subject is comparatively easy. It also improves ones understanding about oneself and others. This year we are planning to introduce a new subject - **Fine Arts (Painting)**. If sufficient students opt for the subject, we will introduce the subject. Otherwise, you have to take Physical Education.

Those who are choosing Science Stream is expected to have at least 80% marks in all the subjects together. Those Commerce students who would like to choose Math should have at least 80% marks in Math. Arts Students have two options. They can choose either Economics or Psychology. Science students can opt for Psychology instead of Maths.

Pre-Board Marks will be considered for your admission. Kindly carry a copy when you come for the interview.
